

PRESS RELEASE

TOWN OF KIRKLAND LAKE LAUNCHES STRATEGIC PLANNING PROCESS

For Immediate Release – Friday, November 17, 2023
Kirkland Lake, ON

The Town of Kirkland Lake is preparing a new strategic plan that will drive the Town into the future and set forth the direction for the next three years. The Town has obtained Capital Park Consulting for assistance in the development of the new Strategic Plan.

The Strategic Plan sets out top priorities and creates a shared vision for the future of the Town of Kirkland Lake, including required steps to ensure the Town continues to be a great place to live, work, and visit.

Input from residents, Council, and staff is key to developing these strategic priorities. As part of the Public Engagement Process, a short and confidential survey has been provided by Capital Park Consulting to assist with gathering this information.

“We encourage residents to voice their opinions and help us understand what challenges and opportunities of the Town should be addressed, as well as what focus areas the Town should be working on.” said Mayor Stacy Wight.

Residents, community groups, businesses, and stakeholders can get involved by completing the online survey or by participating in the Public Meeting which will be held on December 18, 2023.
